fun theme set

Like the others, over 9 billions thousands sexiness hotter than hell, abuuusive excessive price.. Why DLC is so pricy any significance except the f-ing looks? its more expensive the the game itself you know your just stealing at this point i don't know if ill ever buy more of them its just ridiculous.. In my opinion this is the most fappable costume set. Got this during a sale for \u00a319.99 and I suppose thats the going rate for a porn movie which kind of makes it ok.. It a great edition to doa 5 lr. Many costumes to choose from. Fun theme game play! Yay! :). The price is too high. If it wasnt on sale I never would have bought it. The costumes look good, but the fact of the matter is that the only way to fully enjoy them is too always pick randoms. If you play doa every single day like I do, then I guess youll be getting your moneys worth in sheer playtime.. Most of them look great!.

Love this set. The police costumes are a must have!!!. not bad.. i like dlc :D. I do wish they'd make all this stuff split up like it is on console, but for what it is, this is actually an OK price compared to console. Those costumes tend to be about 2 dollars per costume if I remember correctly, so I guess if you add up all the costumes you get in these bundles, it's not a TERRIBLE price. It's just a bit much to get all at once. Definitely a bit more appealing during a sale. Kinda wish under recommend there was a neutral option.. Like others I bought this pack mainly for Marie Rose because she's bae

The Christmas skins are great too

Remember to only buy those sets when they go on 50% sales

81 skins for 30\$ become a lot more reasonable. I just hope people online believe me when I say I bought this on sale.... ON SALE DAMMIT! *shakes fist* ((Even then it's too much.))

Seriously though, only buy this on sale. \u00a340 is a \u2665\u2665\u2665\u2665ing rip off.

PS: The thumbs down is because the DLC in this game is only worth if it's on sale, not because it's bad content.. This just in: sex sells!. This DLC Price is ridiculous.

But bought ... Because I love Marie Rose.
